

Chindlers

Adobe Illustrator

Program: Adobe Illustrator

Title: Adobe Illustrator

Prerequisites: Basic Computer Skills

Certifications Upon Completion: certificate of completion

Length of Course: 120 Hours

PRICE: \$2500

COURSE OBJECTIVE:

Adobe Illustrator is a software that allows you to create drawings, illustrations, and all kinds of artwork. At Chindlers our students are introduced to a powerful creation program, which is the basis for professional designers worldwide such as graphic, web, and visual designers. We give you the chance to create high quality visual artwork for your personal or professional needs. Giving you the chance to push your imagination to the next level and have the confidence to bring it to life.

PROGRAM DESCRIPTION:

This course prepares individuals to successfully use the software .

INSTRUCTIONAL STRATEGIES:

Our institution has developed its own e-learning platform (www.tutoracademy.org) together with a combination of class lectures, hands on with a computer, one on one demonstrations, and in-house lab experiences applicants can accomplish certification.

PROGRAM LENGTH

The following hours are recommended program lengths. It is understood, however, each student learns at his or her individual pace and there will be students who successfully complete the program in fewer or more hours than what is recommended.

METHOD OF EVALUATION

Our onsite testing program through (Pearson Vue) will evaluate and certify each candidate, reports will be produced to assist candidates in becoming certified.

GRADING FORMULA

Percentage %	Grade
90+	A
87-89	A-
84-86	B+
80-83	B
77-79	B-
74-76	C+
70-73	C
65-69	D+
60-64	D
<59	F
